THE EPIPHANY CHOIR PROGRAM

Community and Service through Music

ADULT CHOIR

The Epiphany Choir is made up of adults and high school singers, both volunteers and professionals. The choir sings three services a week, including two Sunday morning Eucharist services, as well as Choral Evensong on Sunday evening. Each member of the choir minimally commits to sing at a weekly Sunday morning service and one Evensong per month. The choir also sings at holiday services throughout the year, performs concerts, and sings in the community. Rehearsals are held on Thursdays from 7:30-9:30 pm from September through May. Most services are live streamed and a weekly Evensong at Epiphany podcast is produced. In 2023, the choir toured in England, spending two weeks in residence at St. Paul's Cathedral, London, and Durham Cathedral.

The Epiphany Choir is a shining example of what is possible with hard work and deep relationships. Its primary role is to support and enhance worship, and it works diligently to make a beautiful offering to God. Epiphany has a deep commitment to being a place for choral and liturgical excellence, and the choir's active ministry is a key part of parish life. New members are always welcome to join this active, fun, and caring community of singers. Requirements to join the choir are a strong commitment to the choir schedule, a basic knowledge of music, a good ear, and a desire to be a team player. You do not have to be a member of Epiphany or the Episcopal Church to join.

MUSIC FOR CHILDREN

The Epiphany chorister program is open to children ages 8 and up. Our young singers receive exceptional training in music, have fun in the process, and become part of a thriving community made up of both children and supportive adults. While choristers sing in worship services at Epiphany, choristers do not have to be a member of Epiphany or the Episcopal church to participate. Children and families of any religious affiliation, or none, are warmly welcomed.

Outstanding musical education

While we sing as a group, we stress the musical development of each individual musician. Every week, choristers receive free training in vocal technique and music reading skills, giving each child the foundation for a lifetime of performance and enjoyment of music.

Life skills

Beyond musical proficiency, our program instills essential life skills in our choristers. Teamwork, discipline, focus, and respect for others are the cornerstones of a successful choir. By singing and working together, our Choristers develop leadership skills and learn the value of consistently working toward a long-term goal. These life skills extend far beyond the choir room, benefiting our choristers in various aspects of their lives.

Exceptional music

Our choirs are rooted in the Anglican choral tradition, like that of Westminster Abbey. Choristers are exposed to a wealth of repertoire spanning a variety of styles, periods, and cultures. On select Sundays throughout the year, Choristers sing in services, joining with Epiphany's internationally regarded Adult Choir, which includes many of the best professional and volunteer singers in Seattle.

Music Academy Scholarships

Epiphany Choristers can study piano, or another instrument, through the Epiphany Music Academy. Full scholarships are available for those who demonstrate a need and make a strong commitment to the chorister program.

Who can join?

Choristers is open to children and youth ages 8 and up who have an eagerness to learn, age-appropriate reading proficiency, and commitment to the choir schedule. All are welcome regardless of musical background and religious affiliation.
